Laxmibai Bhaurao Patil Mahila Mahavidyalaya, Solapur Activity Report: Pollution and Crackers Free Diwali 2023-24

Name of the committee	National Service Scheme
Title of the activity	Pollution and Crackers Free Diwali
Date of the activity	8 th October 2023
No. of the students participate	100

Brief Report

On behalf of the National Service Scheme Department of Laxmibai Bhaurao Patil Mahila Mahavidyalaya, Solapur an oath program called Firecracker Free Diwali was organized with the aim of making the society celebrate Firecracker Free Diwali. 100 female students participated in this activity. On this occasion, students held play cards with different slogans and announced.

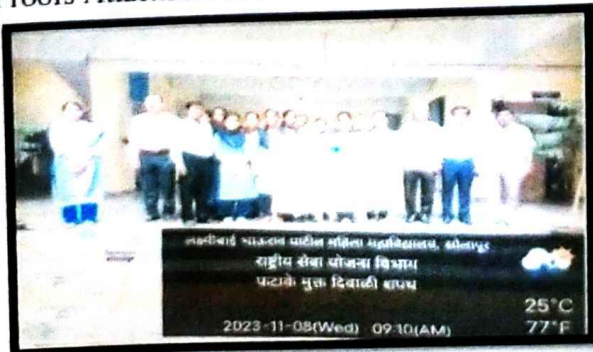

Course Objective

- **Environmental Preservation:** Firecrackers release harmful pollutants into the air, water, and soil, contributing to air and noise pollution. A pollution-free Diwali aims to reduce these adverse environmental impacts, thereby safeguarding ecosystems and promoting sustainability.
- **Health and Well-being:** Smoke and noise from fireworks can cause respiratory problems, trigger allergies, and disturb sleep patterns, especially in vulnerable populations such as children, the elderly, and those with existing health conditions. By advocating for a crackers-free Diwali, the goal is to protect public health and ensure everyone can enjoy the festivities safely.

Course Outcomes

- **Reduced Pollution Levels:** By refraining from bursting firecrackers, there is a substantial decrease in air and noise pollution levels. This leads to cleaner air quality, which benefits human health and the environment. It also mitigates the release of harmful chemicals and particulate matter into the atmosphere, improving overall environmental quality.
- **Health Benefits:** The absence of firecrackers results in a decrease in respiratory issues, allergies, and other health problems associated with air and noise pollution. People, particularly those with pre-existing health conditions, experience fewer health complications, leading to an overall improvement in public health during the festive season.

Activity Report: AIDS Awareness

2023-24

Name of the committee	National Service Scheme
Title of the activity	AIDS Awareness
Date of the activity	1 st December 2023
No. of the students participate	25

Brief Report

An 'AIDS Awareness' rally was organized on Saturday 1/12/2023 on the occasion of World AIDS Day at Laxmibai Bhaurao Patil Mahila Mahavidyalaya in association with National Service Scheme Department and District Surgeon's Office, Solapur. Initially Dr. Vaishampayan Smriti Government Medical College, Solapur. The rally was started by showing the green flag in the presence of District Judge Narendra Joshi, Manisha Awhale. This rally came through Civil Chowk, Siddharth Society, Maulali Chowk, Bhagat Singh Vegetable Market. It was concluded at Vaishampayan Smriti Government Medical College. 25 girls of National Service Scheme participated in this rally.

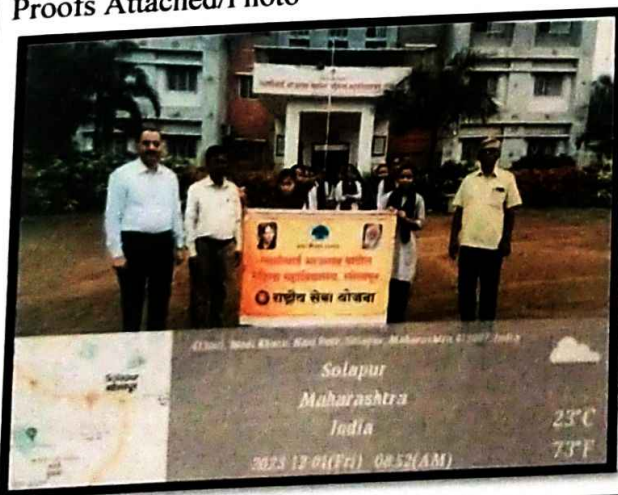

Course Objective

- **Education:** Providing accurate information about HIV/AIDS transmission, prevention methods, and treatment options to dispel myths and misconceptions.
- **Prevention:** Encouraging individuals to adopt safer behaviors such as using condoms, practicing monogamy or mutual fidelity, and avoiding sharing needles.

Course Outcomes

- **Increased Knowledge:** Successful AIDS awareness campaigns lead to improved understanding of HIV transmission, prevention methods, and treatment options among individuals and communities.
- **Behavioral Change:** Effective awareness programs can result in positive behavioral changes, such as increased condom use, reduced number of sexual partners, and avoidance of sharing needles, leading to decreased rates of HIV transmission.

2022-23

Name of the committee	National Service Scheme
Title of the activity	Tree Plantation
Date of the activity	1 st October 2022
No. of the students participate	20

Brief Report

Founder of Rayat Shikshan Sanstha, On the occasion of birth anniversary of Padmabhushan Dr. Karmaveer Bhaurao Patil and Swachhta Pandharwada, trees were planted in the premises of the college.

Course Objective

- **Environmental Conservation:** Trees play a vital role in mitigating climate change by absorbing carbon dioxide, releasing oxygen, and helping regulate the climate. They also prevent soil erosion, conserve water, and provide habitats for various species.
- **Biodiversity Preservation:** Planting trees contributes to the conservation of biodiversity by providing homes and food sources for numerous animal species, thus supporting ecosystem balance and resilience.

Course Outcomes

- **Carbon Sequestration:** Trees absorb carbon dioxide, a greenhouse gas, from the atmosphere, helping to mitigate climate change.
- **Air Quality Improvement:** Trees filter pollutants from the air, improving air quality and reducing respiratory problems.

Laxmibai Bhaurao Patil Mahila Mahavidyalaya, Solapur Activity Report: AIDS Awareness Rally 2022-23

Name of the committee	National Service Scheme
Title of the activity	AIDS Awareness Rally
Date of the activity	1 st December 2022
No. of the students participate	20

Brief Report

An AIDS awareness rally was organized on Thursday, December 1st 2022 in association with Dr. V.M. Vaishampayan Medical College and National Service Scheme of Rayat Shikshan Santha's Laxmibai Bhaurao Patil Mahila Mahavidyalay, Solapur. This rally was started from Dr. V.M. Vaishampayan Medical College via Siddharth Society, Moulali Chowk, Jagdamba Chowk, Sat Rasta to Ashwini Hospital. 20 Volunteers of the college participated in this rally.

Course Objective	Course Outcomes
<ul style="list-style-type: none">• Education: To educate the public about the causes, transmission, prevention, and treatment of HIV/AIDS. This includes dispelling myths and misconceptions surrounding the disease.• Promotion of Testing: Encouraging individuals to get tested for HIV/AIDS to know their status. Early detection is crucial for managing the disease effectively and preventing its spread.	<ul style="list-style-type: none">• Increased Awareness: The primary goal of an AIDS awareness rally is to educate people about the disease, its transmission, prevention, and treatment options. A successful rally would result in increased awareness among the attendees and potentially the wider community.• Behavioural Change: Awareness rallies often aim to change behaviours that increase the risk of HIV transmission, such as unprotected sex and needle sharing. If the rally effectively communicates the importance of safe practices, it may lead to positive behavioural changes among attendees.

Activity Report: World Women Day
2022-23

Name of the committee	National Service Scheme
Title of the activity	World Women Day
Date of the activity	8 th march 2023
No. of the students participate	110

Brief Report

NSS unit of Laxmibai Bhaurao Patil Mahila Mahavidyalaya, Solapur. World Woman's Day awareness rally was organized on 8/3/2023. Vice-Principal of the college Devarao Munde gave addressed the participants at the beginning. There were 110 volunteers actively participated in the rally Beti Bacchav Beti Padhav, Child Marriage Protest, Victory of Nari Shakti, some other slogans were given by the participants. Participants approached the women of nearby places and communicated to them the importance of World woman's day celebration.

Course Objective	Course Outcomes
<ul style="list-style-type: none">• Celebrating Women's Achievements: It serves as an occasion to recognize and celebrate the social, economic, cultural, and political achievements of women worldwide. It highlights the contributions women have made to society in various fields and acknowledges their resilience and strength.• Raising Awareness: International Women's Day is a platform to raise awareness about gender equality and women's rights issues. It draws attention to the ongoing struggles women face, such as gender-based violence, discrimination, unequal access to education and healthcare, and unequal opportunities in the workforce.	<ul style="list-style-type: none">• Awareness and Advocacy: World Women's Day serves as a platform to raise awareness about gender equality issues such as gender-based violence, unequal pay, lack of access to education and healthcare, and underrepresentation in decision-making roles. Advocacy efforts on this day often aim to mobilize support for policies and actions that promote gender equality and empower women and girls.• Celebrating Achievements: The day is an opportunity to celebrate the achievements and contributions of women in various fields, including politics, business, science, technology, arts, sports, and community leadership. This recognition helps challenge stereotypes and inspires future generations of women and girls to pursue their dreams and aspirations.

Laxmibai Bhaurao Patil Mahila Mahavidyalaya, Solapur Activity Report: Tree Conservation Mission 2021-22

Name of the committee	National Service Scheme
Title of the activity	Tree Conservation Mission
Date of the activity	16 th August 2021
No. of the students participate	50

Brief Report

On behalf of the National Service Scheme department of Rayat Shikshan Sanstha's Laxmibai Bhaurao Patil Mahila Mahavidyalaya, Solapur Hon. Principal, Dr. Dudasaheb Salunke has planted trees in the college premises on 16/08/2021. On this occasion, the Vice Principal of the college Hon. Dr. Raosaheb Dhawan was present. During this program coconut, Mango, and palm trees were planted.

Course Objective	Course Outcomes
<ul style="list-style-type: none"> • Biodiversity Preservation: Trees are crucial components of ecosystems, providing habitats for various species. Conserving trees helps maintain biodiversity and supports the survival of numerous plant and animal species. • Carbon Sequestration: Trees play a vital role in mitigating climate change by absorbing carbon dioxide from the atmosphere through photosynthesis. A tree conservation mission aims to enhance carbon sequestration to combat climate change. 	<ul style="list-style-type: none"> • Increased Tree Cover: One of the primary outcomes of a tree conservation mission is to increase the overall tree cover within a region or country. This can be achieved through initiatives such as afforestation (planting trees in areas that were previously devoid of trees), reforestation (replanting trees in deforested or degraded areas), and agroforestry (integrating trees into agricultural landscapes). • Biodiversity Conservation: Another important outcome is the preservation and enhancement of biodiversity. By conserving and restoring forests, tree conservation missions can provide habitats for a wide range of plant and animal species, thereby supporting biodiversity conservation efforts.

Activity Report: Harit Vasundhara
2020-21

Name of the committee	National Service Scheme
Title of the activity	Harit Vasundhara
Date of the activity	1 st January 2021
No. of the students participate	110

Brief Report

"Harit Vasundhara" oath was taken on behalf of the National Service Scheme department of our college. The program was introduced by Dr.Nagorao Bhurke. Then the Principal of the College Dr.Dadasaheb Salunke explained the relationship between nature and man to the students and then Prof.Devrao Munde read the oath.

Course Objective	Course Outcomes
<ul style="list-style-type: none">• Promote Greenery: Encourage the planting of trees and preservation of existing green spaces to enhance the natural environment and biodiversity.• Combat Climate Change: Mitigate the effects of climate change by reducing carbon emissions and promoting sustainable practices.	<ul style="list-style-type: none">• Increased Green Cover: One of the primary outcomes is the planting of trees and vegetation, leading to an increase in green spaces. This helps improve air quality, provide habitat for wildlife, and contribute to overall environmental health.• Awareness and Education: Harit Vasundhara initiatives often lead to heightened awareness among communities about environmental issues such as deforestation, pollution, and climate change. This awareness can prompt individuals and communities to adopt more sustainable practices in their daily lives.
